2023 Strange Engineering Spring Fling Presented by Optima Batteries Pre-Race

Benson, NC — Two weeks after a historically high car count at the Spring Fling Million, the Fling Race Series is bringing big money to the east coast with the Strange Engineering Spring Fling presented by Optima Batteries at GALOT Motorsports Park.

“We had a huge week at the Spring Fling Million in Vegas with 671 entries followed by the highest paying Fling Million to date at \$400,000,” said promoter Peter Biondo. “We caught our breath and are now excited to be back on the east coast and bring a great experience to our east coast friends.”

The Fling Team is keeping a close eye on the forecast for the week. In an effort to utilize the days with the best racing conditions, the following revisions have been made to the schedule from the original flyer.

On-track action will begin on Rob’s Automotive Tuesday with the Advanced Product Design \$15,000 Warm-Up race. The RAD Torque Systems \$20,000 32-Car Shootout will run later in the day.

Wednesday will feature the first JEGS \$50,000-to-win event, and the Silver State \$50,000 race will run on Thursday. The final Wiseco Performance Products \$50,000 purse will be contested on Friday with the option of finishing it Saturday. Sunday will be a racer travel day or clean-up day.

In addition to over \$50,000 in racer appreciation cash and product giveaways, a Fling Fun Zone will keep the kids entertained for the week. From Wednesday to Saturday, Premier Moving will provide a 50 foot inflatable obstacle course with a slide and other activities. The Laris Motorsports Insurance Racer Appreciation Party on Friday night at 7pm will host all racers on property and their families for a steak dinner.

Everything will be streamed live as it happens on the [MotorManiaTV](#) YouTube channel free to the viewer courtesy of JEGS Performance and Hoosier Racing Tire with new exclusive content produced by the Fling Team.
