### JEGS Performance \$30,000 Race to Be Completed Sunday at the Fall Fling

Bristol, TN — What was assumed to be the final day of the RAD Torque Systems Fall Fling presented by Optima Batteries at Bristol Dragway began with a spell of intermittent precipitation that turned into a five hour rain delay, postponing the first round of JEGS Performance \$30,000 Saturday eliminations until the early afternoon.

With a massive field of 648 entries, the Fling Team announced the \$30,000 event would be concluded on Sunday with the intent of running through as many full rotations of eliminations as possible Saturday afternoon and evening within the window of maintaining a safe racing surface.

At the completion of the second round, it was announced that eliminations would resume with the third round at 8 a.m.

Everything will be streamed live as it happens on the [MotorManiaTV](#) YouTube channel free to the viewer courtesy of JEGS Performance and Mickey Thompson with new exclusive content produced by the Fling Team.

For more information, visit [www.BracketRaces.com](http://www.BracketRaces.com), the [Spring Fling Bracket Races Facebook](#) page, or text the word “BRISTOL” to 74121 for race updates.
