- BRISTOL FLING EVENT WINNER HISTORY

FROM PETER AND THE FLING TEAM

Welcome to our Fall Fling. It's Bristol Baby! This will be our 16th year hosting our Fling at Bristol and it wouldn't be possible without you racers.

Whether this is your first Fling event, or you're a long-time Fling participant, we are grateful you chose to spend your time with us. Just as our goal was when we began this journey in 2010, we strive to exceed your expectations.

If you have any questions during the event, please come see us. My staff and I are here to answer any questions you might have. We want to do everything possible to make sure you enjoy your experience here at the Fall Fling.

Frequently Asked Questions

What should I expect when I arrive at the gate?

Upon entering the gate you will receive a tech card and W-9. Please bring completed tech card and W-9 to our registration table around the back of the tower. At that point, you will receive your Fling competition car number. This will also serve as your run sticker for the event. It is important that you place the number on the **LEFT** side of your vehicle (clearly visible from the tower). At that point you are ready to race!

I am new to this, when do I come to the staging lanes to race?

No worries, we have you covered. Simply come to the staging lanes when your group is called/texted. Our staff will be at the back of the staging lanes to answer any questions you may have. There will also be signs at the back of staging designating what group has been called.

What is the best way to keep up with all important lane assignments, bye runs and race information?

- Text **BRISTOL** to 347-974-7007 (to receive text updates). **Highly recommended**
- Tune into **100.9 FM** on your FM Radio

What can I expect at a Fling Event?

Our Fling Racers are family to us. Expect an inviting atmosphere combined with some of the best bracket racing there is. We will deliver a professional and racer-friendly event. It's very important to us that our racers have a stress-free time while with us. Most of all, we hope the event leaves you with memories to last a lifetime.

Our Racer Friendly Fling Diva Desk is located at the tower ready to help with any questions you may have.

RACER INFORMATION GUIDE

FALL FLING BRISTOL, SEPT 23-27, 2025

**This is a single entry event (no Doubles of any kind permitted).*

***You must be on the pre-entry racers list to participate.*

Lane Calls/Fling Car Numbers

Each driver will be given a Fling Competition Car Number at registration. This will also serve as your run sticker for the event. You will be called to the staging lanes by your 'ODD' or 'EVEN' car number. Your car number will have a background color (either Yellow or Teal) which we will use to break up the odd and even groups in the early rounds as needed. Your car number should be placed on the **LEFT** side of your vehicle (clearly visible from the tower).

General Race Format

Daily Run Order will be Door Cars followed by Dragsters. Door Cars will run completely separate from Dragsters (each will have their own bye run) until we combine at the ladder round of 8 or less.

Staging Lanes/Lane Choice

There are designated staging lanes for racers to choose the left or right lane. Odd number lanes are for left lane, while even number lanes are for right Lane. If at the end of a round (or group) we run out of pairings, the first car will have lane choice between the two front-to-back racers. Our Staff (at front of staging) will have final say on pairings.

Bye Runs

- Round 1 (and Buyback round) bye of each group will be determined by a random draw. All other rounds, the bye run goes to the driver with the best reaction time of the previous round. **See Tie Breaker Section below.*
- No racer is entitled to two bye runs (unless all remaining competitors had one).
- Bye runs do not carry over (new bye picked each round).

Ladder

Racers will be placed on a pro ladder in the round of 8 cars (or less) based on their previous round R/T. This is also the point where door cars combine with dragsters. A new ladder will be generated in each of the remaining two rounds (semis & final), again based on previous round R/T. Lane choice in the ladder rounds will be given to the driver with the better R/T in the previous round.

Break Rule

If a driver is still in competition and breaks their vehicle (beyond repair), the driver may switch to another vehicle (that is not in competition). ****Must be approved by a Fling Official.***

'New Entry' Time Runs

- There will be a 'New Entry' time run session offered on Thursday, Friday, and Saturday.
- A 'new entry' is only for new tech cards for that day. (Driver must have not been down the track yet).

Brodix Best Package Run-Off Tie-Breakers

- The best door car package and best dragster package from Wednesday Rd 1-Friday Rd 3 will 'run off' for the Brodix SR20 heads. Buyback rounds are included. Shootouts are not included.
- If multiple Door Cars or Dragsters have the same "best package", the first Tie-Breaker will be the better R/T of the "best package" and if both R/Ts are the same, the racer who did it first will be in the run-off.

Bye Run Tie-Breakers

- If multiple racers have the same "best" reaction time, the bye run will be awarded to the driver with the best package, if multiple drivers have the same package, the second tiebreaker will be the driver who did it first. (Same rules apply when on ladder)

Best Losing Package Tie-Breakers

- If multiple racers have the same "best" losing package, the prize will be awarded to the driver with the better reaction time, if multiple drivers have the same reaction time, the second tiebreaker will be the driver who did it first.

**All decisions are made final by race director (or qualified Staff Member)*

***Drivers or Crew engaging in foul play, cheating, or unsportsmanlike behavior (at the discretion of a qualified Fling Staff Member) are subject to disqualification.*
