## **2025 EVENT RACER GUIDE & LOGBOOK**

- **RACER FAQ**
- **RULES & EVENT INFO**

## *FROM PETER AND THE FLING TEAM*

We would like to extend a warm welcome to all you racers and crew. We are looking forward to spending time with you all at our Inaugural Fling at Norwalk. It's because of you racers that the Fling Team is able to put on these events.

Whether this is your first Fling, or you're a long-time Fling participant, we are grateful you chose to spend your spare time with us. Just as our goal was when we began this journey in 2010, we strive to exceed your expectations at this event.

If you have any issues during the event or have any questions, please come see us. My staff and I are here to answer any questions you might have and make sure you enjoy your experience here at Summit Motorsports Park.

Now lets have some fun, turn on some win lights, and create life-long memories together!

*Peter Biundo  
&  
the Fling Team*

## Frequently Asked Questions

### What should I expect when I arrive at the gate?

Upon entering the gate you will receive a tech card and W-9. Please bring your completed tech card and W-9 to our Fling Diva Desk located at the Guest Service/ Registration building located on the CAT side. At that point, you will receive a pair of Fling competition car numbers. This will also serve as your run sticker for the event. **Door Cars:** It is important that you place one number on the PASSENGER side of your vehicle and the second number on your WINDSHIELD-Driver side

**Dragsters:** Place one number on EACH side of your vehicle. You must have the Fling Competition Number on your vehicle to go down the track or you will get turned away.

### I am new to this, when do I come to the staging lanes to race?

No worries, we have you covered. Simply come to the staging lanes when your group is called/texted. Our staff will be at the back of the staging lanes to answer any questions you may have. There will also be signs at the back of staging designating what group has been called. You may also visit the Fling Diva Desk located at the Guest Services building on the CAT side with any questions.

### What is the best way to keep up with all important lane calls, bye runs and race information?

- Text the word **NORWALK** to 347-974-7007 (to receive text updates)
- Tune into **88.5 FM**

### What can I expect at a Fling Event?

Our Fling Racers are *family* to us. Expect an inviting atmosphere combined with some of the best bracket racing there is. We will deliver a professional and racer-friendly event. It's very important to us that our racers have a stress-free time while racing with us. Most of all, we hope the event leaves you with memories to last a lifetime.

### Will there be new entry time runs?

Wednesday will be our time trial day. You can expect multiple sessions (which includes a free bogey session to race for 5K). Make your runs on Wednesday as these will serve as the time runs for Thursday 20K. There will NOT be a new entry time run on Thursday. Racers arriving Friday (that have not been down the track Wednesday or Thursday) will receive a new entry time run Friday morning.

***Our Racer Friendly Fling Diva Desk is located at Guest Services Building on the CAT side ready to help with any questions you may have.***

# ***RACER INFORMATION GUIDE***

**NORWALK FLING, AUGUST 27-31, 2025**

*\*This is a single entry event (no Doubles of any kind permitted).*

*\*\*You must be on the pre-entered racer's list to participate.*

## **Lane Calls/Fling Car Numbers**

Each driver will be given a pair of Fling Competition Car Numbers at registration. This will also serve as your run sticker for the event. You will be called to the staging lanes by your 'ODD' or 'EVEN' car number. Your car number will have a background color (either Red or Blue) which we will use to break up the odd and even groups in the early rounds as needed.

## **Fling Number Placement**

- **Door Cars:** It is important that you place one number on the PASSENGER side of your vehicle and the second number on the WINDSHIELD-driver side.
- **Dragsters:** Place one number on EACH side of your vehicle.

## **General Race Format**

The run order for each day will be No-Box, followed by Box Door Cars, followed by Box Dragsters. These Three Groups (No-Box/ Door/ Dragster) will be run completely separate from each other (each will have their own bye run) until we combine at the ladder round of 8 total cars or less.

## **Staging Lanes/Lane Choice**

There will be designated staging lanes for racers to choose the left or right lane. If at the end of a round (or group), we run out of pairings, the first car will have lane choice between the two front-to-back racers. Our Staff (at front of staging) will have final say on pairings.

## **Bye Runs**

- Round 1 (and Buyback round) bye of each group will be determined by a random draw. All other rounds, the bye run goes to the driver with the best reaction time of the previous round. \*See Tie Breaker Section below.
- No racer is entitled to two bye runs (unless all remaining competitors have had one).
- Bye runs do not carry over (new bye picked each round).

## **Ladder**

**NO-BOX:** Will be placed on their own pro ladder in their round of 8 cars (or less) based on their previous round R/T. No-Box drivers will run totally separate from Box until 1 No-Box car remains. The winner of No-Box will then mix into Box.

**BOX:** Door Cars and Dragsters will combine in the round of 8 total cars (or less) and be placed on a pro ladder based on their previous round R/T. A new ladder will be generated in each of

the remaining two rounds (semis & final), again based on previous round R/T. Lane choice in the ladder rounds will be given to the driver with the better R/T in the previous round.

### **Break Rule**

- If a driver in competition breaks their vehicle (beyond repair), driver may switch vehicles. ***Must be approved by a Fling Official.*** Vehicle must be out of competition.
- If a driver breaks in staging, they will be given 2 minutes to get started.

### **'New Entry' Time Runs**

- A 'new entry' is only for new tech cards for that day.
- There will NOT be a New Entry Time Run Session on Thursday. (We will be giving time run sessions for Thursday's 20K on Wednesday).

### **Brodix Best Package Run-Off Tie-Breakers**

- The best door car package and best dragster package from Thursday Rd 1-Sat Rd 3 will 'run off' for a set of Brodix SR20 heads. Buyback rounds are included. Shootouts are not included.
- If multiple Door Cars or Dragsters have the same "best package", the first Tie-Breaker will be the better R/T of the "best package" and if both R/Ts are the same, the racer who did it first will be in the run-off.

### **Bye Run Tie-Breakers**

- If multiple racers have the same "best" reaction time, the bye run goes to the driver with the best package. If multiple drivers have the same package, the second tiebreaker will be the driver who did it first. (Same rules apply when on ladder).

### **Best Losing Package Tie-Breakers**

- If multiple racers have the same "best" losing package, the prize will be awarded to the driver with the better reaction time, if multiple drivers have the same reaction time, the second tiebreaker will be the driver who did it first.

### **No-Box & Deep Staging**

- Deep staging will be permitted when racing on the No-Box side. It is up to the driver to get deep staged in a timely manner.
- Deep staging is NOT permitted when No-Box drivers advance to the Box side.
- After merging in with Box, the No-Box winner is allowed to put a Box in their vehicle.

*\*All decisions are made final by race director (or qualified Staff Member)*
