FROM PETER AND THE FLING TEAM

We would like to extend a warm welcome to all racers and crew to our 2nd Annual Door Car Fling at Darana Motorsports Park. It's because of you racers that the Fling Team is able to put on these events.

Whether this is your first Fling, or you're a long-time Fling participant, we are grateful you chose to spend your spare time with us. Just as our goal was when we began this journey in 2010, we strive to exceed your expectations at this event.

If you have any issues during the event or have any questions, please come see us. My staff and I are here to answer any questions you might have and make sure you enjoy your experience here at Darana Motorsports Park.

Frequently Asked Questions

What should I expect when I arrive at the gate?

Upon entering the gate you will receive a tech card and W-9. Please bring completed tech card and W-9 to our registration table around the back of the tower. At that point, you will receive your Fling competition car number. This will also serve as your run sticker for the event. It is important that you place the number on the **PASSENGER** side of your vehicle and the second number on your WINDSHIELD.

You must have your Fling Competition Number on your vehicle to go down the track or you will be turned away.

I am new to this, when do I come to the staging lanes to race?

No worries, we have you covered. Simply come to the staging lanes when your group is called/texted. Our staff will be at the back of the staging lanes to answer any questions you may have. There will also be signs at the back of staging designating what group has been called.

What is the best way to keep up with all important lane assignments, bye runs and race information?

- Text **DOOR CAR** to 347-974-7007 (to receive text updates). **Highly recommended**
- Tune into **89.3FM** on your FM Radio

What can I expect at a Fling Event?

Our Fling Racers are family to us. Expect an inviting atmosphere combined with some of the best bracket racing there is. We will deliver a professional and racer-friendly event. It's very important to us that our racers have a stress-free time while with us. Most of all, we hope the event leaves you with memories to last a lifetime.

Our Racer Friendly Fling Diva Desk is located around the back of the Tower & ready to help with any questions you may have.

RACER INFORMATION GUIDE

DOOR CAR FLING, OCTOBER 21-25, 2026

General Rules:

- Double Entries Permitted (Driver or Car cannot go down the track more than 2x per round)
- Gate Entry Event (No Pre-entries)
- We will call you to the lanes by the Color of your Fling Car Number (Red or Blue)

Fling Car Numbers

We will assign each entry a Fling Car Number at registration once you turn in your tech card.

- Single Entered Drivers: Will be given 1 Red Car Number at registration.
- Double-entered drivers: Will be given 2 Car Numbers (1 Red & 1 Blue) at registration.

NEW! General Race Format

- RED = Single Entries & First Entry for Doubles
- BLUE = Double Entries with their Second Entry
- You will be called to the lanes by your color (RED or BLUE)

Lane Calls

We will call you to the lanes by the color of your Fling Car Number (Red or Blue).

Double-entered drivers, be sure to have the correct car number visible that matches the entry you are running at that time.

Staging Lanes/Lane Choice

Odd # Lanes will be for Left Lane while Even # Lanes is for Right Lane. Racers are responsible for pulling into the correct (left or right) lanes. When single file, the first car will have lane choice. Fling Staff (at the front of staging) will have the final say on pairings.

Bye Runs

- Round 1 (and Re-Entry round) bye will be determined by a random draw. All other rounds, the bye run goes to the driver with the best reaction time of the previous round. *See Tie Breaker Section below.
- No racer is entitled to two bye runs (unless all remaining competitors have had one).
- Bye runs do not carry over (new bye picked each round).

Ladder

Drivers would be placed on a Pro Ladder when we get to the round of 8 cars (or less). The ladder will be based on drivers' previous round R/T. We will generate a new ladder in each of the remaining two rounds (semis & final), again based on previous-round R/T. Lane choice in the ladder rounds will be given to the driver with the better R/T in the previous round.

Break Rule

- If a driver in competition breaks their vehicle (beyond repair), driver may switch vehicles. Must be approved by a Fling Official. Vehicle must be out of competition.
- If a driver breaks in the staging lanes, they will be given 2 minutes to get started.
- Once you are in the staging lanes, you cannot go back to your pits without staff approval.
- Starter has final call on any starting line 'situations'.

'New Entry' Time Runs

A 'new entry' is only for new tech cards for that day. (A new driver/car combo is NOT considered a new entry if the driver has already been down the track)

Brodix Best Package Run-Off Tie-Breakers

- The Two Best Packages (from Thurs to Sat E3) will have a one-run shootout for a set of Brodix Cylinder Heads
- If multiple Drivers have the same "best package", the first Tie-Breaker will be the better R/T of the "best package" and if both R/Ts are the same, the racer who did it first will be in the run-off.

Bye Run Tie-Breakers

If multiple racers have the same "best" reaction time, the bye run goes to the driver with the best package. If multiple drivers have the same package, the second tiebreaker will be the driver who did it first. (Same rules apply when on ladder).

Best Losing Package Tie-Breakers

If multiple racers have the same "best" losing package, the prize will be awarded to the driver with the better reaction time, if multiple drivers have the same reaction time, the second tiebreaker will be the driver who did it first.

**All decisions are made final by race director (or qualified Staff Member)*

***Drivers or Crew engaging in foul play, cheating, or unsportsmanlike behavior (at the discretion of a qualified Fling Staff Member) are subject to disqualification.*
