FROM PETER AND THE FLING TEAM

Welcome to the Fall Fling! It's Bristol Baby! This will be our 17th year hosting at Bristol and 49th Fling Event. Thanks for choosing to race with us this week.

Since our first Fling in 2010, our goal has remained the same: to deliver more than just a race — to deliver an unforgettable experience.

As long as we're putting on these events, our racers will always be our top priority. If you need anything, stop by our racer-friendly Fling Diva desk or come find me anytime.

Now it's your turn to have some fun and turn on some win-lights!

Frequently Asked Questions

What should I expect when I arrive at the gate?

Upon entering the gate, you will receive a tech card and W-9. Please bring your completed tech card and W-9 to our Fling Diva Desk located around the back of the tower.

Before you race, the number must be on the **LEFT** side of your vehicle (clearly visible from the tower)

****You cannot go down the track without a Fling car number.**

I am new to this, when do I come to the staging lanes to race?

No worries, we have you covered. Simply come to the staging lanes when your group is called/texted. Our staff will be at the back of the staging lanes to answer any questions you may have. There will also be signs at the back of staging designating what group has been called.

What is the best way to keep up with all important lane calls, bye runs and race information?

- Text the word **BRISTOL** to 347-974-7007 (to receive text updates). ***Highly recommended***
- Tune into **100.9 FM** on your Radio

What can I expect at a Fling Event?

Our Fling Racers are *family* to us. Expect an inviting atmosphere combined with some of the best bracket racing there is. We deliver a professional, racer-friendly event. We want our racers to have a stress-free time while racing with us. Most of all, we hope the event leaves you with memories to last a lifetime.

Our Racer Friendly Fling Diva Desk is located at the tower ready to help with any questions you may have.

RACER INFORMATION GUIDE

FALL FLING BRISTOL, SEPTEMBER 29 - OCTOBER 3, 2026

**This is a vehicle single-entry event per car. A driver can have 1 entry on the Door Car side and 1 entry on the Dragster side*

***You must be on our Fling Master Entry List to participate.*

Lane Calls/Fling Car Numbers

Each driver will be given a Fling Competition Car Number at registration. This will also serve as your run sticker for the event. You will be called to the staging lanes by your 'ODD' or 'EVEN' car number. Your car number will have a background color (either orange or blue) which we will use to further break up the odd and even groups in the early rounds as needed. Your car number should be placed on the **LEFT** side of your vehicle (visible from tower).

General Race Format

The run order for each day will be Door Cars, followed by Dragsters. These 2 groups will run separately until we combine at the ladder round of 8 total cars or less.

Staging Lanes/Lane Choice

There are designated staging lanes for racers to choose the left or right lane. Odd number lanes are for left lane, while even number lanes are for right Lane. If at the end of a round (or group) we run out of pairings, the first car will have lane choice between the two front-to-back racers. Our Staff (at front of staging) will have final say on pairings.

Bye Runs

- One bye run per round (if door cars are odd, the last door car will run first dragster).
- Round 1 (and Buyback round) bye of each group will be determined by a random draw. In all other rounds, the bye run goes to the driver with the best reaction time of the previous round. *See Tie Breaker Section below.
- No racer is entitled to two bye runs (unless all remaining competitors had one).
- Bye runs do not carry over (new bye picked each round).

Ladder

Racers will be placed on a pro ladder in the round of 8 cars (or less) based on their previous round R/T. This is also the point where door cars combine with dragsters. A new ladder will be generated in each of the remaining two rounds (semis & final), again based on previous round R/T. Lane choice in the ladder rounds will be given to the driver with the better R/T in the previous round.

Break Rule

- If a driver in competition breaks their vehicle (beyond repair), driver may switch vehicles. ***Must be approved by a Fling Official.*** Vehicle must be out of competition.
- If a driver breaks in staging, they will be given 2 minutes to get started.
- If a driver breaks on the line, they will be put on a 60-second clock.
- Event Starter has final say on any starting line discrepancies

'New Entry' Time Runs

- There will be a 'New Entry' time run session on Thursday, Friday, and Saturday.
- A 'new entry' is only for new tech cards for that day. (Driver must not have been down the track yet).

Brodix Best Package Run-Off Tie-Breakers

- The best door car package and best dragster package from Wednesday Rd 1-Friday Rd 3 will 'run off' for the Brodix SR20 heads. Buyback rounds are included. Shootouts are not included.
- If multiple Door Cars or Dragsters have the same "best package", the first Tie-Breaker will be the better R/T of the "best package" and if both R/Ts are the same, the racer who did it first will be in the run-off.

Bye Run Tie-Breakers

- If multiple racers have the same "best" reaction time, the bye run will be awarded to the driver with the best package, if multiple drivers have the same package, the second tiebreaker will be the driver who did it first. (Same rules apply when on ladder)

Best Losing Package Tie-Breakers

- If multiple racers have the same "best" losing package, the prize will be awarded to the driver with the better reaction time, if multiple drivers have the same reaction time, the second tiebreaker will be the driver who did it first.

**All decisions are made final by race director (or qualified Staff Member)*

***Drivers or Crew engaging in foul play, cheating, or unsportsmanlike behavior (at the discretion of a qualified Fling Staff Member) are subject to disqualification.*
